HELOC Loans: An Overview

WHAT'S A HELOC?

It stands for home equity line of credit, or simply "home equity line." It is a loan set up as a line of credit for some maximum draw, rather than for a fixed dollar amount. With rates low and benefits high now is the time to get a HELOC Loan at WESLA Federal Credit Union.

WHY GET A HELOC?

1. It has lower interest rates than other loans. They also typically come with a fixed interest rate.
2. It is an easy way to get a large sum of money in a short time.
3. It is a secured loan that is secured by your house value.
4. The loan may be tax deductible, which means it is removed from the taxable income, hence lowering the overall tax expense liability.
5. You are paid in cash when you take up a home equity loan.
6. It is also beneficial for the lender as lenders have a tangible asset they can repossess. If the borrower fails to pay the debt, the lender automatically gets possession of the house.
