ZELLE SERVICE TERMS – added to WESLA Federal Credit Union’s Electronic

Services Agreement 1. Description of Services

- a) We have partnered with the Zelle Network (“Zelle”) to enable a convenient way to transfer money between you and others who are enrolled directly with Zelle® or enrolled with another financial institution that partners with Zelle (each, a “User”) using aliases, such as email addresses or mobile phone numbers (the “Service”). We will refer to financial institutions that have partnered with Zelle as “Network Banks.”
- b) Zelle provides no deposit account or other financial services. Zelle neither transfers nor moves money. You may not establish a financial account with Zelle of any kind. All money will be transmitted by a Network Bank.
- c) THE SERVICE IS INTENDED TO SEND MONEY TO FRIENDS, FAMILY AND OTHERS YOU TRUST. YOU SHOULD NOT USE THE SERVICE TO SEND MONEY TO RECIPIENTS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST.

2. Eligibility and User Profile

When you enroll to use the Service or when you permit others to whom you have delegated to act on your behalf to use or access the Service, you agree to the terms and conditions of this Agreement. 8. Receiving Money; Money Transfers by Network Banks

In agreeing to use the Zelle Network, you agree that some personal information, including your account number, shall be shared with Zelle and the participating financial institutions. These institutions will keep your information confidential and obey all applicable laws

regarding such information.

Once a User initiates a transfer of money to your email address or mobile phone number registered with the Service, you have no ability to stop the transfer. By using the Service, you agree and authorize us to initiate credit entries to the bank account you have registered.

Most transfers of money to you from other Users will occur within minutes. There may be other circumstances when the payment may take longer. For example, in order to protect you, us, Zelle and the other Network Banks, we may need or Zelle may need additional time to verify your identity or the identity of the person sending the money. We may also delay or block the transfer to prevent fraud or to meet our regulatory obligations. If we delay or block a payment that you have initiated through a request for money, we will notify you in accordance with your user preferences (i.e., email, push notification). We are not liable for any damages resulting from the additional time needed to verify identities or for any time required to meet regulatory obligations. There is no warranty or guarantee that the transfer will occur within any given time.

If you are receiving a payment from a business or government agency, your payment will be delivered in accordance with both this Agreement and the procedures of the business or government agency that is sending you the payment.

9. Sending Money; Debits by Network Banks

You may send money to another User at your initiation or in response to that User's request for money. You understand that use of this Service by you shall at all times be subject to (i) this Agreement, and (ii) your express authorization at the time of the transaction for us or another Network Bank to initiate a debit entry to your bank account. You understand that when you send the payment, you will have no ability to stop it.

In most cases, when you are sending money, the transfer will occur in minutes; however, there are circumstances when the payment may take longer. For example, in order to protect you, us, Zelle and the other Network Banks, we may need additional time to verify your identity or the identity of the person receiving the money. If you are sending money to someone who has not registered as a User with either Zelle or a Network Bank, the transfer may take up to two (2) days from the day the intended recipient responds to the payment notification by registering as a User. You understand and acknowledge that a person to whom you are sending money and who is not registered as a User may fail to register with Zelle, or otherwise ignore the payment notification, and the transfer may not occur.

We have no control over the actions of other Users, other Network Banks or other

financial institutions that could delay or prevent your money from being delivered to the intended User. We are not liable for any damages resulting from the additional time needed to verify identities or for any time required to meet regulatory obligations. There is no warranty or guarantee that the transfer will occur within any given time.

You agree to receive money requests from other Users, and to only send requests for legitimate and lawful purposes. Requests for money are solely between the sender and recipient and are not reviewed or verified by us or by Zelle. Neither we nor Zelle assume

responsibility for the accuracy or legality of such requests and do not act as a debt collector on your behalf or on behalf of the sender of a request for money.
